VARUN

VOLUME 20 | JULY 2020

ODISHA HYDRO POWER CORPORATION LIMITED

Sri. Bishupada Sethi, IAS

First of all, I would like to congratulate & extend my heartfelt wishes to all of you & your family members on the occasion of the 25th Foundation Day (Silver Jubilee Year) of OHPC.

When the entire State is fighting with spread of the Pandemic COVID-19, you have successfully managed to generate & supply electricity uninterruptedly. Your concerted efforts during this crisis period is highly commendable.

In view of the decision of the State Govt. on restriction of mass/ public gathering to contain the spread of Corona Virus, it is not becoming possible at present to celebrate the Silver Jubilee of OHPC. However, the Silver Jubilee Celebration can be held at a later date, depending upon the situation.

I sincerely appeal to all the employees of OHPC to adhere to the decision of the State Govt. and take good care of self & their family members.

With best wishes.

(Sri. Bishupada Sethi, IAS)

Principal Secretary to Govt. DoR & DM and CMD, OHPC

FROM THE EDITOR'S DESK

DEAR FRIENDS,

We are presenting the Summer Issue of Varun which contains various activities of OHPC starting from New Initiatives to Important Achievements during the last six months. Hope our members will find it interesting, meaningful and useful.

Further, in the Copy Paste Culture of the Digital World most of us have forgotten to write letters. But we expect our family members will evince their avid interest in writing feedbacks to the Editorial Team for further improvement of Varun.

360° WELLNESS

Many of us think of wellness in terms of physical and mental health. But 360° wellness covers eleven dimensions such as physical, intellectual, financial, emotional, social, ethical, cultural, creative, occupational, environmental and spiritual wellness around us. Wellness is not a choice to hold or let loose like balls of juggler, rather it is a way of life and being human we need to juggle to balance these wellness dimensions defining quality of our life in toto. It is natural at different times to focus on some dimensions of wellness over others, and balancing the eleven dimensions in our lives is an ongoing process.

During this pandemic situation, it is wise to balance these dimensions of 360° wellness and to strictly adhere to the COVID-19 related protocols and guidelines promulgated by Govt. of Odisha to contain the spread of COVID-19.

Our organisation has taken various proactive measures to protect the employees from the prey of COVID-19 through isolation and insulation. Further, our employees have shown resilience against the COVID-19 and continued uninterrupted power generation.

In the Silver Jubilee of our beloved organisation, let us take an oath to do our bit towards 360° wellness and lend our hands to Management to make OHPC a happy and healthy place to work.

With friendly greetings

Subash Chandra Jena

 ବୁକେଲ ଜନମ୍ ହେଉଛେ ବଳି
 ମୋର ଗୋଡ଼ ଦେଇଛନ୍ ବାନ୍ଧି,
 ଲୋକ ହୁଆ, ଇଜଡ, ମୁହତ୍ ତର'ହେ
 ମୁଇଁ ହେଲ ଯାଇଛେ ଛନ୍ଦି ।
 ଯେନ୍ ଭାଲ୍ ଧଏଲି ସେ ଭାଲ୍ ଛିଡ଼'ଲା
 ପାଦ୍ ତଲୁ ଧିସି ଯାଉଛେ ମାଏଟ,
 କେତେ ମେଟ୍'ବା ମୋର ଜୀବନୁଁ
 ଇ ଉଆଁସ ରାବତ୍ ॥
 ହଜି ଯାଇଛେ ମୋର ମନର ଜନ୍ମ
 ଲୁକି ଯାଇଛେ ତରା,
 ଦୁଃଖ-କଷ୍ଟେ ମୋର ଜୀବନ୍ ଜଲୁଛେ
 ଜେନ୍ ଜନ୍ମେ ଭାଏଲ୍ କାଏଁ
 ପାପ୍ କରିଥିଲି ପ୍ରଭୁଁ,
 ଦେଲ ମତେ କାହିଁ ଏତେ ଦଶା,
 ସୁଖର ଆଶା ନୁଁ ନର୍ଦ୍ଧି ରଲି ଯେ
 ପାଏଲି ଚଜିଆ ଫିଆ ।
 କାନ୍ଦି-କାନ୍ଦି ପୁଡି ହେଇଗଲାନ
 ମୋର ଦୁହିଁ ଆସଖ୍,
 କେତେ ମେଟ୍'ବା ମୋର ଜୀବନୁଁ
 ଇ ଉଆଁସ ରାବତ୍ ॥

ଧନ୍ୟବାଦ ।

Life's Real Lesson

*Into relations are you born,
 Be it a daughter or son.
 From birth you are loved and accepted,
 But in return a lot is expected.*

*You start learning step by step as you grow,
 Whatever you see around is all you know.
 Whether you live as rich or poor,
 Whether you get beaten inside or outside the door.*

*No one ever gave you the real life lesson,
 That failure is not something to be frowned upon.
 No one ever told you that it is okay to want something different,
 That it is Okay to not excel in everything and still be content.*

*No one ever told you that everything you do is not a competition,
 That your every failures and successes creates the path to self-realisation.*

*You own your own mistakes, no one else can take the blame,
 You choose your own paths and never should get scared to follow them.
 Life is a collection of thousands of moments, and there is an important lesson
 that it teaches,
 More you try to grab it in a close hand more you lose it, like holding sand
 grains in the beaches.
 However hard you try to find a solution to what is happening now,
 Only time will tell you how.*

*Life is a two way trip,
 Full of steps that you can't skip.
 When you are down, the only way is up,
 When everything is lost, you can play the trump.*

*You try to live up to everyone's expectation,
 You try to fulfill your obligation.
 But a single mistake holds you down,
 And into a web of sorrow and guilt you drown.*

*But everyone should be told,
 It is okay to be scared of cold.
 When you think you have nothing else left to lose,
 Not giving up is the only option you can choose.*

*So Stand up and fight for what you feel is right,
 Climb up from the dark cave and travel towards light.
 Because you have the power own the choices and create,
 And build yourself to even defeat your fate.*

When I think of you

(A poem from a wife to her deceased husband)

Flipping the pages of the old diary,
 Soiled with dry flowers and memories...
 Ur thoughts that used to run, through the wild pages
 Gliding through each emotions
 Which I had caged..
 The time worn pages, the spilled ink
 Singing a memoir of u, returned in a blink.....
 I remember I have loved u ,
 Like those fireflies have loved darkness, as they glow
 Through the careless fragments of my imagination
 I built our little whimsical world though
 I remember all those lost bygone times,
 When I think of you now...

CAGED

I try to adjust inside the cage, but
 I ache for the bright blue sky.
 I try to fly away from it, but
 I don't trust my feathers.
 I try to drop down for it, but
 I can only see the black deep fall.
 I try to peep out from the cage, but
 Realise, even the sky in dark at times.
 Caged, caged inside my own mind.
 Then I, believed myself
 Broken the cage
 Started flying all alone too long
 Against the darkness
 Against the storm
 Against my mindset
 To find nothing
 Only to enjoy flying.
